

# Government Aircraft Overview

Engineering Solutions ♦ Project Management ♦ On-site Engineering Support

A partial list of clients and platforms Donatech has provided engineering services to includes:

## Air Force

- B-1B
- E-3 AWACS
- E-8 JSTARS
- KC-135 GATM
- C-130J
- F-35 Joint Strike Fighter
- F-15
- F-22A Raptor

## Navy

- E-2C Hawkeye
- P-3C Orion
- C-2A Greyhound

## Coast Guard

- CN-235
- HU-25

## International

- Canadian C-130
- Pakistan P-3

## Supported Systems and Platforms:

- Cockpit Flight and Mission Management
- Intuitive User Interface Displays
- Electronic Flight Instrumentation System (EFIS)
- Sensor Management System
- Flight Controls
- Aircraft Management Systems (AMS)
- Engine Indication and Crew Alerting System (EICAS)
- Control Display Unit (CDU)
- Multimode Weather Radar
- Communications/Navigation/Identification (CNI)
- Traffic Alert and Collision Avoidance System (TCAS)
- HF Airborne Communications System
- Digital Moving Maps
