

Donatech Facts and Capabilities

Engineering Solutions ♦ Project Management ♦ On-site Engineering Support

Corporate Summary

- 2.5 million engineering hours executed
- ISO9001:2008 and AS9100B Certification
- HUBZone Certified Small Business (founded 1987)
- 2009 Revenues of \$20 million (DUNS: 18-524-9695)
- Clearance Information available via Cage Code 0ZQ51
- NAICS Codes: 541330, 541511, 541512, 541690, 541712

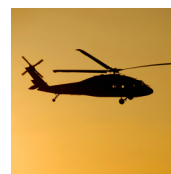

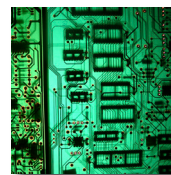

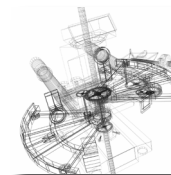

Experience with U.S. Navy

Rotary Wing Aircraft

- VH60/MH-60
- CH/MH-53
- HH-60/65

Fixed Wing Aircraft

- E-2 C Hawkeye
- P-3 Orion
- C-2A Greyhound

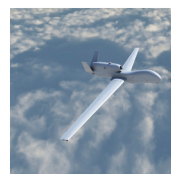

Experience with Rockwell Collins

- 1.5 million engineering hours executed
- Managed programs include: Sensor Management, Flight Management, Systems Integration and Test Coverage Analysis, DoD Displays...
- Most engineering support from three IA based off-site facilities. On-site support is provided in CA, TX, VA and FL

Embedded Systems Summary

- RTE software development (Ada, C/C++, Apex)
- Requirements capture/traceability/verification (DOORS, Requisite Pro)
- Software and systems testing (Automated Tools, Scripts, Manual Testing)
- Change and configuration management (CTS, ClearQuest, Subversion, ClearCase)
- Test Coverage Analysis (Test Mate, Vector Cast)

Other Technical Experience

- Applied Scientists and Subject Matter Experts
- Reliability, Maintainability, Safety Engineers
- Mechanical, Manufacturing, and Industrial Engineers
- Technical Writers and Technicians
